Dear Robert,

I am writing to offer our sincerest thanks for the latest wonderful donation of £42.52 made to Make-A-Wish Foundation UK from the sales of your wish lanterns in May.

There are 20,000 children living in the UK with a life-limiting condition and it is Make-A-Wish's aim to grant one of its magical wishes to every one of these 20,000 children because it believes that a wish can transform a child's life.

"Seeing our little girl doing something that will give us wonderful memories, carrying us through the low moments of caring for a child with cancer, has been too special for words. I call it a 'jam jar' moment, one to be bottled, put on the memory shelf and opened when flagging spirits need to be revived. Thank you, thank you for making all this happen."

In 2010 over 1,000 children will turn to Make-A-Wish to have their special wish granted; children such as 15 year old Callum who wanted to be a police dog trainer for the day or 11 year old Tegan who wished to dance with the Royal Ballet and 3 year old Alicia who wanted to meet her favourite character Peppa Pig.

Make-A-Wish Foundation UK needs to raise £5 million in 2010 to fund these magical wishes. We receive no government funding and rely entirely on voluntary donations. Which is why, for our charity, every donation really does matter. Thank you so much for your valued and continued support.

Kindest regards
